

IT Support Service Agreement

Reference: SAMPLE-MEDIUM-002 | Fictional test document

PARTIES	Atlas Digital Services SARL (Provider) and Nova Hospitality SARL (Client).
---------	--

1. Effective date and renewal

This agreement starts on 1 October 2026 and continues for twelve months. It renews automatically for another twelve months unless notice is provided before the end of the current term. The required notice period is not specified.

2. Services

The Provider will deliver remote IT maintenance, user support, and monthly system checks. Critical incidents are targeted for response within four hours, but service credits or remedies for missed targets are not specified.

3. Fees

The Client will pay 4,500 MAD per month. Invoices are payable within 15 days. The Provider may adjust fees at renewal after sending written notice, but no maximum adjustment is stated.

4. Termination

Either party may terminate for a material breach after giving the other party an opportunity to cure. The cure period is not defined. Early termination for convenience is not addressed.

5. Confidentiality

Each party must protect confidential information received from the other party. The duration of this obligation after termination is not specified.

6. Liability

Liability is limited to three months of fees, excluding intentional misconduct. The agreement does not state whether data restoration costs are included or excluded.

7. Governing law

Moroccan law applies. The parties will attempt amicable settlement before referring a dispute to the competent courts of Casablanca.

Accepted for testing purposes by both fictional parties.
